) Entered: May 6, 2008

BY THE COMMISSION:

By written request for funding received April 14, 2008, Kimball County, Kimball seeks funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service. In particular, Kimball County seeks funding for training on its Orion MapStar software.

This request for additional funding is being processed pursuant to Neb. Rev. Stat. §§ 86-442 to 86-470. (Cum. Supp. 2006), 291 Neb. Admin. Code, Chapter 1, Section 5, Progression Order No. 5 in Commission Docket No. 911-001, entered July 16, 2002 and the Interim Policy established in Progression Order No. 1 in Commission Docket No. 911-017/PI-116, entered February 13, 2007 (Interim Policy).

Kimball County seeks reimbursement for **\$2,584.65** for training costs related to its Orion MapStar. The Commission previously approved costs associated with the purchase, installation and maintenance for this item from Embarq on November 20, 2007. However, the training costs were not part of the original request. Kimball County has provided documentation supporting its request. The Enhanced Wireless 911 Advisory Board considered the funding request at its April 21, 2008 meeting and recommended that the Commission approve the request.

Costs requested are eligible under Neb. Rev. Stat. § 86-465 (2006 Supp.). All costs have been incurred or will be incurred for the provision of Phase II wireless enhanced 911 service.

Based upon the request for funding, supporting documentation, and in consideration of the recommendation of the Advisory Board, the Commission is of the opinion and finds that payment should be made to Kimball County or its designee in the amount of **\$2,584.65** for non-recurring costs.

ORDER

IT IS THEREFORE ORDERED by the Commission that Kimball County's funding request is approved as outlined herein.

IT IS FURTHER ORDERED that the Commission shall remit to Kimball County or its designee from the Enhanced Wireless 911 Fund **\$2,584.65** for non-recurring costs.
